General Remarks

1) Official fees are fixed in KRW (Korean Won) and will be charged in U.S. Dollars according to the exchange rate in effect on the date our invoice is paid. The U.S. Dollar figures provided for the official fees listed above are based on the exchange rate of 1,000 KRW per USD. The official fees may differ according to the fluctuation of the exchange rate.

2) Concerning fees for recordation of registrant's name and/or address change, assignment, license, annuity payment, or the like, kindly contact us before taking procedures. We offer the services at quite competitive charges.

3) Attorney fees may increase depending on complexity, urgency, and other variables.

4) The U.S. dollar figures provided for the official fees listed above are based on filing using the electronic network system of the Korean Intellectual Property Office (KIPO), therefore additional fees may be incurred in the case of filing documentarily.

** At Meta IP, we charge routine matters by this Standard Fee Schedule. Other matters not covered by the schedule are generally charged on a time-spent basis at hourly billing rates. Our hourly rates vary according to the experience of the attorneys involved and usually range from USD 200 to 400. The hourly rates of legal assistants and paralegals are usually in the range of USD 100 and USD 200. Whenever possible, we try to employ the services of experienced, well-trained legal assistants and paralegals to keep legal costs down. Work performed by legal assistants and paralegals is closely and carefully supervised and reviewed by attorneys. The attorneys are ultimately and fully responsible for the work provided.
